

Vision, Mission and Core Values

Vision

kcc's passion is to see our nation transformed by Jesus Christ through the powerful preaching of the Bible.

Mission

kcc operates conventions that support churches by leading and modelling in the reformed evangelical faith and calling people to holiness in daily life through the prayerful and passionate expository preaching of the Bible.

Core Values

- We are reformed – we believe in the absolute sovereignty of God in all matters pertaining to life and faith
- We teach the Bible with the express desire to ground individual disciples of Christ in the gospel and challenge thinking and life in the contemporary world
- We are committed to God's mission in the world
- We purposely design the whole convention program to enhance the centrality and understanding of God's Word
- We intentionally work beyond denominational boundaries in achieving our mission
- We select a balance of established and emerging Bible teachers
- We are chiefly a volunteer organisation
